and

Ms/Mr., residing at

hereinafter referred to as the Licensor

which reads as follows:

Par. 1

The subject hereof is granting a license to the Licensee by the Licensor to use the author's economic rights to the article entitled:

.....
submitted for publication to the editorial office of the journal *Science, Technology and Innovation*, published by the Licensee.

Par. 2

The Licensor declares that he/she has the copyright to the article, as described in Par. 1 hereof.

Par. 3

The Licensor declares that the use of the article by the Licensee and entities to whom the licence will be granted hereunder does not infringe the rights of third parties.

Par. 4

The Licensor grants the Licensee the right to use the author's economic rights to the article in the following fields of use:

- 1) recording and making a digital version of the article available, in particular by publishing it on the journal's website and in the publisher's university repository;
- 2) making the article publicly available (disseminating it) in such a way that everyone has access to the article or its fragments at a place and time chosen by them;
- 3) digitisation, conversion to a specific format, recording and reproduction of the article without any quantitative restrictions using the technique of digital recording in the memory of computers, including those that function as servers, in networks such as the internet, intranet and other ICT networks, in particular online, as well as in the form of computer printouts;
- 4) viewing, displaying, downloading and copying using computers, ICT networks, media for digital recording and other ICT devices, making computer printouts and printouts from the website;
- 5) using the article and its fragments for informational, promotional and marketing purposes.

Par. 5

The licence granted is non-exclusive and entitles the Licensee to use the article without any territorial restrictions.

Par. 6

The licence to use the author's economic rights to the article is granted for an indefinite period.

Par. 7

The Licensee is entitled to grant the licence further to third parties, without the right to further sub-licence it by these persons.

Par. 8

In the event of claims made by third parties against the Licensee in a lawsuit for infringement of copyright to the article in connection with the Licensee's use of the licence, in accordance with the provisions hereof, the Licensor shall immediately take the case on the Licensee's side, release him/her from any claims and satisfy any recognised or legally adjudicated claims of the plaintiff along with other costs.

Par. 9

The Licensor has the right to withdraw herefrom if the Licensee or other entities exceed the scope of the granted licence to use the copyright to the article.

Par. 10

The Licensor shall not receive any remuneration for the use of the article in accordance with the provisions hereof.

Par. 11

Any changes hereto shall be made in writing under pain of nullity.

Par. 12

Any disputes arising herefrom shall be settled by a court of law competent for the registered office of the Licensee.

Par. 13

The provisions of the Act on Copyright and Related Rights and the provisions of the Civil Code shall apply to matters not regulated herein.

Par. 4

The agreement has been executed in duplicate, one copy for each party.
